Dear Mr. Givens,

It has been over a year since we used your company to transport our family to our daughter's wedding on October 7, 2006 and what better way to celebrate than by acknowledging those who helped to make this a memorable day.

All we can say is Angelic, Angelic, Angelic. We Praise God for your company!!! The Turner Family and friends would like to thank you for going the extra mile, Hollywood style with the red carpet treatment.

*Our drivers, Jim and Carol drove the bus like it was a gentle newborn baby. It was clean, sparkling, and shiny, all the way down to those tires and rims. Their dress and demeanor really represented the company and Prince Georges's County, Maryland in a very professional manner. They treated us like we were family!!*

We especially appreciated the attention they paid to our most senior members of the family. They were very sensitive and compassionate; and we salute your company for that.

Angelic Bus Company, especially Jim and Carol, have wonderful qualities that are seldom seen in bus companies. These characteristics will forever be embedded in our hearts.

Thank you all from the bottom of our hearts for transporting our family and friends to and from this event safely and making it a wedding of the year for our family and guests. Continued success in all you do!!

Warm Regards,

*Mr. & Mrs. Darnell & Sharon Turner*
